Institution	University of Mitrovica, Faculty of technical sciences (FTN)
Event title	SPEHERE Inter project coaching meeting at University of Maribor
Event description:	
On May 29th, 2025 Inter project coaching meeting of the Erasmus+ Capacity Building in the field of the Higher Education project Sustainable transportation within the framework of green deal“(SPHERE) was held. The meeting was held under the auspices of the University of Maribor Faculty of Civil Engineering, Transportation Engineering and Architecture, Maribor, Krekova 2. Within this meeting, representatives from different projects had the opportunity to present their objectives and progress. This included detailed discussions on their specific work packages—defined sets of tasks aimed at achieving particular project milestones. These presentations not only highlighted the accomplishments and milestones reached but also identified challenges and solutions, fostering an environment of collective problem-solving and innovation. Promotion of DGTRANS project was held by dr Aleksandra Petrović, coordinator of this project, from the Faculty of technical sciences, University of Mitrovica (UPKM). This exchange aimed to improve overall project efficiency and effectiveness by adopting proven practices and avoiding common pitfalls.
